Digital Photography For Artists

A Workshop by Chuck Buch

Problem: I have this submission to make that must be a .jpg on a CD.

Questions: What does this mean?
How do I accomplish this?
How much will it cost?
Can I do this myself?

Chuck Buch is a working professional in the entertainment industry with great expertise in digital media, digital cameras, computers (Mac and Windows) and software programs. He will conduct a series of workshops at VIVA Gallery, teaching artists easy ways to deal with the digital world and how it pertains to them and their artwork.

Topics covered in Workshop I:

- **How to choose the right digital camera**
 - Lenses
 - Batteries
 - Memory Cards
- **How to use a digital camera**
 - Camera settings to use
 - How to keep colors correct
- **How to photograph your artwork**
 - Tools needed
 - Set up
 - Lighting
 - Complete step by step instructions
- **How to understand the terminology** (i.e., .jpg, pixels, resolution, etc.)
